

# Starfish Case Report

## Personal Information

# Nathan

**Name:** Nathan  
**Date of Birth:** 2001  
**Gender:** Male  
**Sickness:** Cerebral palsy, Down Syndrome

### Medical Treatments:

- Dr. Cheng recommended Nathan for a surgery to loosen his tendon.
- The surgery will be followed by a 3 months rehabilitation program in a hospital in Hangzhou, which is a very experience in handling the cerebral palsy children.

### After the operation:

- Nathan can now walk with some assistance or even on his own sometimes.

**Treatment cost:** RMB 21,977.00

Before the operation

After the operation

We are a non-profit organization registered in Hong Kong on 26th October 2006, formed by a group of Christian volunteers from all walks of lives and ages. We are bonded together because of our heart for the orphans with medical conditions in China.

We believe that honesty and integrity are crucial in all our works. Hence, all funds received are used 100% on the children.
