

Starfish Case Report

Personal Information

Milton

Name: Milton
Date of Birth: 2007
Gender: Female
Sickness : Tetralogy of Fallot

Before the operation

Medical Treatments:

Milton often admitted to hospital for infection due to her severe heart problem. Her life was at risk. Starfish arranged Milton to the SCMC for operation on December 8th. She was completely transformed after the surgery.

Treatment cost: RMB80,328.50

After the operation

We are a non-profit organization registered in Hong Kong on 26th October 2006, formed by a group of Christian volunteers from all walks of lives and ages. We are bonded together because of our heart for the orphans with medical conditions in China.

We believe that honesty and integrity are crucial in all our works. Hence, all funds received are used 100% on the children.
