- Florence's heart disease was quite severe. After the surgery, she was planted a pacemaker. Florence was very weak before the surgery. However, now she can live like any normal child.

### After the operation:

- Due to the pacemaker, Florence has to attend regular check-up in the local hospital.

**Treatment cost:** RMB 92,536.94

Before the operation

After the operation

We are a non-profit organization registered in Hong Kong on 26th October 2006, formed by a group of Christian volunteers from all walks of lives and ages. We are bonded together because of our heart for the orphans with medical conditions in China.

We believe that honesty and integrity are crucial in all our works. Hence, all funds received are used 100% on the children.
