After the Surgery

We are a non-profit organization registered in Hong Kong on 26th October 2006, formed by a group of Christian volunteers from all walks of lives and ages. We are bonded together because of our heart for the orphans with medical conditions in China.

We believe that honesty and integrity are crucial in all our works. Hence, all funds received are used 100% on the children.

RECORD UPDATE: JUNE 10, 2015
