

Starfish Case Report

Personal Information

Yvonne

Name: Yvonne
Date of Birth: 2008
Gender: Female
Sickness: Deformed knee joint

Medical Treatments:

Yvonne was sent in two different occasions to hospital within China and was in vain. Dr. Li Yun Hoi of Hong Kong agreed to stretch out his helping hand. Yvonne was then arranged to come to HK Matilda Hospital and was operated by Dr. Li on October 10.

After the surgery:

Yvonne is able to stand on her own and has the desire to walk. She is fostered by a local family pending adoption.

Treatment Cost: HK\$24,116.62

Before the operation

We are a non-profit organization registered in Hong Kong on 26th October 2006, formed by a group of Christian volunteers from all walks of lives and ages. We are bonded together because of our heart for the orphans with medical conditions in China.

We believe that honesty and integrity are crucial in all our works. Hence, all funds received are used 100% on the children.

RECORD UPDATE: AUG 30, 2011
