

Starfish Case Report

Personal Information

Name: Felix
Date of Birth: 2004
Gender: Male
Sickness: Cerebral palsy

Medical Treatments:

- Felix was sent for a Botox injection followed by a three months rehabilitation program in the CereCare Rehabilitation Centre.

After the operation:

- Felix can walk on his own without any help
- Felix was now fostered by one of the Starfish's volunteer in Shanghai, in order to enable him to be enrolled in a kindergarten.
- To get a better result, the rehabilitation program will be extended for an extra month till August 2nd, 2010.

Treatment cost: RMB 10,736.00

Before the operation

After the operation

We are a non-profit organization registered in Hong Kong on 26th October 2006, formed by a group of Christian volunteers from all walks of lives and ages. We are bonded together because of our heart for the orphans with medical conditions in China.

We believe that honesty and integrity are crucial in all our works. Hence, all funds received are used 100% on the children.

RECORD UPDATE: 17 SEPTEMBER 2010
